Class Descriptions

AFAP: The Arthritis Foundation Program is a "go at your own pace," very low intensity class designed to improve or maintain range of motion, flexibility, strength and functional endurance. A physician's release is required for non-members but may be required by members if staff deems necessary.

Robics: These classes are designed for individuals at any fitness level wanting a fun and challenging workout to improve muscular strength, muscular endurance, cardiovascular endurance, and joint range of motion.

MAKOS Swim Team: For more information on joining the MAKOS swim team, please call Eddie Ware @ 601-209-3193.

classes are designed for students enrolled at MC.

allotted for children ages 12 and younger to swim but must be under direct adult supervision (18 & older).
